

## WHO ARE WE ?

True Tourism is the new peer-to-peer tourism application centered on Marseille, which offers tourist tours led by passionate local guides.

Our primary objective is to create a more human and personalized alternative to mass tourism, by creating strong links between tourists and guides. We are committed to discovering the authenticity of the Phocaean city in a friendly and original way.

## THE GUIDES

The guides, individuals or professionals, offer their services on a district or a theme of the city of Marseille on which they believe they can share their knowledge and their anecdotes.

Each of the visits offered by the guides is checked and then validated by our team.

## HOW TO REGISTER ?

To register, nothing could be simpler: Scan the QR code on the back of the leaflet and download the application.

Then, create an account (it's free!) then choose your ideal visit, based on its duration, points of interest, topics covered, distance covered, profile of the guide, etc...

It is possible to participate in a private tour, just with your friends, or to sign up for a tour open to all.

## WHY VISIT TRUE TOURISM?

The application offers quality visits, led by passionate local guides, allowing real human contact, through visits adapted to all tastes, interests, ages and themes. Our application is designed for you, easy to use, the application allows you to book private or public visits at attractive prices, on the theme and on the desired dates.

### Personalized tours according to your interests

True Tourism offers the possibility of focusing its visits on the interests of each individual. Many categories of visits are available:

- Historical
- Discovery
- Artistic
- Specific
- Anecdotal
- Playful
- Urban
- Sports

## ADVANTAGES

### Affordable tours

The prices for our various guided tours are set by the guides themselves, in order to give them maximum autonomy.
